Re: Fitting out works at R I N A's Office space - Gdansk for Rina Poland.

I am pleased to provide a reference regarding the fit-out of R I N A's office space. I would like to express my full satisfaction with the collaboration throughout the project.

The works were delivered to a very high standard, with excellent attention to detail and quality across all aspects of the fit-out. The project was well organized from start to finish, and all agreed timelines were met in a professional and efficient manner.

Communication between your team and us as the General Contractor was clear, proactive, and solution-oriented at every stage. This contributed significantly to the smooth progress and successful completion of the project.
